I had grown accustomed to my husband's sexual failures. Not to mention his lame excuses.

Treehouse Twat

"Sorry," my husband apologized meekly. George didn't have to pull out before rolling off and settling on his side of the bed. He was far too flaccid for that. Hell, he hadn't even gotten hard enough to penetrate me. Unfortunately, this was nothing new. I had grown accustomed to my husband's sexual failures. Not to mention his lame excuses.

Staring at the ceiling, I waited for his tired spiel about stress and the demands of his profession. Waited and waited some more. George had nothing to say, nothing to offer in the way of an explanation. Today he was too tired to even talk, let alone fuck me good and proper.

He got out of bed and padded to the shower. Still horny, I sighed wearily and reached for the nightstand drawer. Moments later, I lay there with my legs spread and my hand working overtime. I pumped my trusty dildo, plunging it into the depths of my long-neglected cooze.

I would have rather been fucking my husband, but this was certainly better than nothing. I had mastered, through necessity, the art of masturbation.

I timed my orgasm perfectly, getting off scant seconds before George got out of the shower. He was shaving at the sink, a towel wrapped around his waist, when I entered the bathroom to take mine. I took off my robe and draped it over the door hook. George's reflection confirmed what I already knew. He had lost all interest in his wife. There I was, totally naked, my myriad physical charms on full display, and he couldn't have cared less.

Shit, I thought glumly, he's more interested in his new razor than checking out his hot young wife. Would a brief glance have killed him? Apparently so.

I was stepping into the shower stall when he broke the silence. "I'll be late tonight," he said with cold detachment.

"Again?" I shot back.

"Big project," he replied, scraping the cream from his face.

Another lonely night, I reasoned, shaking my head in dismay. By the time I got out of the shower George was dressed and walking out the door.

Unlike my husband, I worked at home. Online teaching for a local private college afforded me such flexibility. My first class didn't meet until ten, so I spent a leisurely morning drinking coffee and reviewing my lecture notes. The window in the breakfast nook provided me with a nice view of our beautifully landscaped backyard. The previous owner had been a real green thumb. Her stamp was all over the place. Flower beds. Lush plants. Coi pond. Rock garden. Outdoor shower. Even a treehouse in the upper branches of an old oak tree.

I did okay as a teacher, but it was primarily George's handsome salary which enabled us to live in such a nice place. Still, I would have gladly forfeited the whole enchilada for a virile husband with an insatiable sex drive.

I hadn't been properly fucked in months . . .

Mine was a busy morning. I stayed glued to my laptop, teaching three classes in a row with nary a break between them. I finished at one, then ate a light lunch before going outside to relax in the treehouse before an afternoon faculty meeting. Understand, this thing was

The thought of that, the prospect of never seeing him again, didn't sit well with me. Oh no. Not at all. Because he was most easy on the eyes. Tall. Handsome. Rangy.

no ordinary treehouse. It was, however, a fully furnished studio apartment replete with electricity. The previous owner had actually rented the space to a college student. George and I had considered doing the same, but the treehouse didn't have plumbing and he didn't like the idea of having a tenant with bathroom and kitchen privileges.

Looking forward to my catnap, I went out back and ascended the tall wooden ladder. I opened the treehouse door. And received quite the shock.

In the form of an uninvited guest!

The intruder's reaction matched mine. We both gasped audibly to find ourselves in the company of another. I stood there a few feet away from this complete stranger, a tall young man who looked to be in his early twenties, torn between fighting and fleeing.

I ended up doing neither as he turned out to be a rather charming guy, if a little rough around the edges. He apologized profusely and all but begged me not to call the police. The thought of involving the cops had never even occurred to me.

"The police?" I frowned. "Why would I do that?"

"Well," he said, "I am trespassing."

"How did you find out about this place?"

"A buddy of mine," he explained. "He lived here before you guys bought the place. Ms. Rives rented it to him for a song . . ."

Small world, I thought. Then I searched his face for signs of deception, wondering if the story he had told me about being homeless and needing a place to stay was actually true or just some fictional sob story.

"And you've been living out here for how long?" I asked him.

"About two weeks," he told me. "Moved in right after I lost my job and got evicted from my apartment . . ."

Two weeks, I thought. George and I were totally clueless. This wasn't so hard to believe. My husband never ventured into the backyard, not even to cut the grass which he paid a handyman to do. And today's trip to the treehouse was my first in at least a month. It was a sobering scenario, for sure. Something like this going on right under our noses and we didn't even know.

"I'm leaving right now." He started to gather his meager belongings. "You'll never see me again . . ."

The thought of that, the prospect of never seeing him again, didn't sit well with me. Oh no. Not at all. Because he was most easy on the eyes. Tall. Handsome. Rangy. Eighteen or nineteen. As for me—well, I was thirty. Ours would be the perfect coupling, both of us in our sexual primes . . .

"I'm not going to call the police," I told him. "And you don't have to leave. At least, not right now . . ."

He regarded me strangely.

"I'd like you to stay for a while."

"You would?"

"And keep me company." I unbuttoned my blouse slowly. "My husband is at the office all day. I work at home. It can get awfully lonely . . ."

He swallowed a lump when I discarded my top and bra, his hungry gaze devouring my sizable tits. Still, he hesitated . . .

"It's okay, baby. You can feel them. I know you want to."

My words had the desired effect. His tentativeness disappeared. His touch, questing fingers kneading my stiff nipples, was electric. I crushed my lips to his, probing his mouth with my tongue. A brief, yet ravenous kiss.

Then, eager to taste his cock, I knelt before him. I lowered his cargo shorts and boxers. He was quite hard. But I was determined to make him even harder. I lifted his shaft and licked its underside, gliding my tongue from balls to glans. Again and again and again. He sighed with pleasure, my cue to devour him in earnest. Whipping my head to and fro, I sucked

him good and proper. I pumped him slowly. Sloppily. Moaned and groaned with a mouth full of rigid rod.

My pussy was nice and wet. I slid a hand beneath my skirt and panties, fingering my moist slit in sweet anticipation. He pulled out of my mouth and stepped out of his shorts, kicking them across the floor where they settled beside my blouse and bra. The treehouse was spartanly furnished like a dorm room. Desk. Straight-backed chair. Futon . . .

I lay on the futon and lifted my skirt above my hips. He shucked my panties, peeling the lacy garment from my legs before tossing them aside. I was on fire, my cunt dripping as I eyed his tumescent tool. Standing beside the futon, he took off his T-shirt and let it drop to the floor. His was an impressive physique. Muscular chest. Washboard abs. The complete opposite of George who had let himself go, forgoing fitness in his relentless pursuit of the all-mighty dollar. My husband was a good earner, a good provider, sure, but I needed more.

Much more.

I needed this . . .

The young stud moved on top of me. He pushed my thighs apart none too gently. I gasped as he teased me, shuddered as he ran his bulbous glans up and down my trench. He did this several times, titillating me mercilessly until I demanded that he fuck me.

"Stick it in! Do it!"

"My pleasure," he replied.

He entered me with a savage jab, plunging his dick to its thick base. I grunted. It wasn't long before he was hammering me with everything he had, pounding my sex-starved snatch. I raised my knees, opening myself to receive him in full. He doubled his efforts, skewering me with incredible technique and stamina.

The stud had worked up a sweat. We both had. The slapping of fornicating flesh, slick with perspiration, filled the cozy treehouse. The heady aroma of sex engulfed us. I had never been fucked so good before, not even during my wildly promiscuous college years. That I was experiencing this at the age of thirty didn't bother me in the least. Better late, I reasoned, than never . . .

He pulled out and told me to flip over, told me that he wanted to finish doggy style. I was all for it. Elbows and knees pressed to the futon, my ass raised for the taking, I regarded him over my shoulder. Licking my lips in a lewd gesture, I urged him to cream my tight cunt with lots of jizz.

The doggy rutting proceeded in spectacular fashion. Hands gripping my hips, he pummeled me from behind. His thighs and taut abdomen made repeated contact with my ass, tapping rhythmically as he reamed my pussy.

I came seconds before he exploded. Delicious, toe-curling current coursed through my body; this as his cock spasmed inside me, filling my freshly fucked cooze with hot cum.

Moments later, having recovered enough to descend the ladder, we took advantage of the outdoor shower. A tall privacy fence surrounding the property protected us from the prying eyes of nosy neighbors. We lingered beneath the spigot; neither of us were in a hurry to get on with the day.

He had to go, I knew. George would never stand for some college freeloader staying in our treehouse. Still, I told the young stud to drop by whenever he was in the neighborhood. "During the day," I added, "when my husband is at work."

"Count on it. And thanks for a wonderful time. I had never fucked in a treehouse before . . ."

"There's a first time for everything," I told him.

And a second, third, fourth, fifth . . .

But, hey, who's counting?

The young stud moved on top of me. He pushed my thighs apart none too gently. I gasped as he teased me, shuddered as he ran his bulbous glans up and down my trench.

SKYLAR VOX

After a long day at the office, Skylar calls Brick to come over for a last minute favor. She told him about her stressful day and she needs a massage really bad. She takes off her dress and shows him where it hurts. He oils her up and gets to work. Then she returns the favor taking his cock straight into her mouth. Then he stuffs his cock deep into her pussy after she gives that dick a thorough sucking.

THE MAN CAVE

GUY TALK

PUT ON THAT SMOKING JACKET YOU HAVE STUFFED AWAY IN THE BACK OF YOUR CLOSET. PULL OUT THAT VINTAGE SMOKING PIPE OF YOUR DAD'S AND KICK BACK IN YOUR FAVORITE RECLINER AND ENJOY A READ LIKE THE DAYS BEFORE THE INTERNET. NOTHING IS MORE EXCITING THAN TIME ALONE WITH YOUR IMAGINATION.

"We're in hot water," I told Sid.

He nodded in stoic acceptance of the email I had just read out loud. Arms crossed, he stood there in my drab corporate cubicle on a Monday morning. What a way to start the workweek! Bad news. Real bad. The both of us had been summoned to Human Resources. Somebody had filed a complaint accusing us of using "inappropriate language" in the workplace.

"I wonder who it was?" Sid asked.

"Had to be a millennial." I leaned back in my ergonomically designed chair. "Or a Gen Z. They're awfully sensitive. One of them must've overheard us jawing in the breakroom."

By "jawing" I meant swapping stories of our sexual conquests. Guy talk. Locker room banter. No big deal.

Until now . . .

Sid sat on the edge of my desk. "I can't believe this."

"Come on, man," I said. "We don't want to be late."

Neither of us said a word in the elevator, nor in the waiting area outside Paula Crane's office. Her secretary was young, fresh out of college, the type who would have been offended by archaic guy talk. She made me feel old and outdated, made me feel on the brink of being put out to pasture. Which was silly. Hell, I was only forty years old. Sid was forty-two. We had many productive years remaining.

If we didn't get fired . . .

WANNA PIC? ;)

We waited for a good fifteen minutes before Paula Crane emerged from her inner sanctum. Framed in the doorway, the HR manager cut an imposing figure. She stood tall and erect, her blonde hair chopped short like a man's. Stepping aside, she ushered us into her office then closed the door. Sid and I claimed a pair of comfy chairs in front of her desk. Once seated, she got right to the point . . .

"Last week both of you were overheard using extremely sexist language in the breakroom." She peered at her notes and proceeded to rattle off a string of vulgar slang words.

"The modern corporate workplace," she went on, "is hardly the environment for such foul banter. Times have changed. I shouldn't have to tell you this."

Sid and I both apologized, telling her that it would never happen again. Paula Crane seemed unimpressed, even going so far as to tell us that we were in danger of losing our jobs. I shifted uncomfortably and tried to remain calm.

"Now wait a minute," Sid spoke up. "That's a bit harsh, don't you think? We didn't know another person was in earshot of our conversation. Had we been aware of this—"

"Pussy . . . cunt . . . twat," Paula Crane read from her notes, enunciating each word for full effect.

Then she burst into raucous laughter!

Her sudden about-face threw me for a serous loop. I glanced at Sid. He looked equally bewildered. What in the hell was going on here? Our confusion continued when the statuesque personnel professional got up from behind her desk and said, "Would you like to see mine?"

"Excuse me?" Sid uttered.

"Pussy . . . cunt . . . twat," she stated matter-of-factly. "Mine is tight and wet and ready for some cock."

No sooner had the words left Paula Crane's mouth than she unbuttoned her blouse, removed a lacy black bra, and deposited her shapely bum on the desktop. Her fashionable pumps hit the carpeted floor, drawing attention to her dangling feet. Seeing my interest, she raised the left one and wiggled her toes playfully.

Unable to contain myself, I raised the hem of her black skirt above her hips, exposing a pair of panties which matched her bra. I ripped the lacy garment from her body. She gasped with excitement and spread her legs . . .

Her sudden about-face threw me for a serous loop. I glanced at Sid. He looked equally bewildered. What in the hell was going on here?

I took her, plunging my cock inside that tight and wet pussy of hers. Paula Crane lay there atop the desk, her ample tits bouncing in sync with my forceful thrusts. Having dropped his drawers, Sid positioned himself beside the desk so that she could suck his cock while I pounded her pussy.

My gaze oscillating between her pumping head and warbling tits, I fucked her none too gently, reaming her hot hole with everything I had. It wasn't long before Sid cried out and withdrew; he dumped his load all over her face. I lasted about a minute longer, then pulled out and coated her taut tummy with a sizable sample of hot jizz.

We were getting ready to leave her office when Paula Crane surprised us yet again; turns out she was the one who had overheard our "inappropriate conversation" in the breakroom. "Your politically incorrect, old-fashioned guy talk really turned me on . . ."

Boy, did it ever!

Back in college I began making to-do lists, and my first one had my classes as the top three items. Then I thought about it for a while and I revised it several times. My final to-do list? It had SEX as the top three items. Happy me.
